| the instructor |

Our instructor is a teacher who works within the public system. He teaches/tutors 30-1 & 30-2 on a regular basis, has written questions for diplomas in both courses with Alberta Education, and knows the curriculum and the diploma layout well. He has tutored for CPM Educational Services for several years. We receive great feedback from students about his diploma prep course. You won't be disappointed!

| what others have said |

"Love the small size and interaction."

"This was way more than I expected and I would gladly recommend this to anyone who is stressing about their diploma! Thank you very much."

"I found the review just enough so that everything I forgot would click again."

I found this very helpful!"
