

Which CASIO is Right for You?

What's the difference between the 9750 and the 9860s?

fx-9750

- retail price ~ \$67.50
- base model
- approved for diploma exams
- everything you need for all math courses
- comparable to TI 83/84
- high contrast display
- easy to use icon menu & operating system
- G-Solv technology

fx-9860 "s"

- retail price ~ \$94.50
- has everything that the 9750 has plus....
- larger screen
- screen has a back light
- more menu applications
- natural math input
- fractions appear vertically
- exponents appeared raised
- log bases appear lowered
- scrolling ability – scroll up and change inputs you have already typed in
- changes to linked calculations will automatically update to the end
- USB plug in adapter included
