Father, bring me face to face with you

Bring me face to face with your healing power

So that I may reflect in a world void of grace your face

Too many times I've aloud my light to grow dim

In the midst of struggles and of pain

But as I lift my eyes and I see your embrace
G D2 G2
My fire's restored again

Bridge:

A G D2 G2
Let my life be an offering to you

Let my hands and my voice proclaim your goodness

You give me hope again
