

# You Wrap Me in Your Arms

Words and Music By Peter Hill

**\*capo 3 (F)\***

**Verse 1:**

D            A        Em                    G D            A                    Em G  
I come before You broken and confused, but You wrap me in Your arms  
D            A        Em                    G D            A                    Em G  
I come before You shattered and abused, yet You wrap me in Your arms  
                  D-A-Em-G    D A        Em G  
And I'm safe,                    and I am safe

**Verse 2:**

D            A            Em                    G D            A                    Em G  
I come before You with all my hopes and dreams, and You wrap me in Your arms  
D        A            Em                    G D            A                    Em G  
In You I find everything I need, so come wrap me in Your arms  
                  D-A-Em-G    D A        Em G  
Where I'm safe,                    where I am safe

**Verse 3:**

D                    A                    Em                    G  
As waves come crashing against the rocks along the shore  
D            A                    Em G  
Still you wrap me in Your arms  
D                    A                    Em                    G  
You are my lighthouse that guides me through the storm  
D            A                    Em G  
As You wrap me in Your arms  
                  D-A-Em-G    D A        Em G  
'Cause I'm safe,                    'cause I am safe

**Bridge:**

B<sup>b</sup>                    C                    D  
I find refuge in the shadow of Your wings  
B<sup>b</sup>                    C                    D  
There I am complete 'cause You're with me
