

Tidal Wave

Words and Music by Dan Hendrican

Chorus:

A E D A E D
Take me in to Your tidal wave
A E D A E D
Wanna be swept away in Your tidal wave
A E D A E D
Let Your mercy and love overwhelm me now
A E D A E D
Flood through me Your cleansing power

Bridge:

E D F#m E
Submerge deep within Your grace and unfailing life
E D F#m E
Rush through my heart the passion of Jesus Christ
E
And I'll rise...like the wave...with Your presence
