

Time to Release Praise

Words and Music By Darrell Aikens

capo 1 (Ab)

Verse:

G^2 C^2 G^2 D
Man will walk the streets; break forth in song and praise
 G^2 C^2 G^2 D
They will wonder why joy has filled their lives
 G^2 C^2 G^2 D
Their feet shall lead them to a place they've never been
 G^2 C^2
Where people stand and raise their hands
 G^2 D G^2
And call on Jesus' name

Chorus:

D C^2 G^2
It's time to release praise - let our feet run wild
D C^2 G^2
Raise our hands - receive God's healing power
D C^2 G^2
Fulfill his promise and do greater things

Bridge:

D C^2 G^2
I want to heal the sick, see the lame man walk
D C^2 G^2
Sing a song, see angels worshipping
D C^2 G^2
Take their hand, dance around God's throne
