

I Fall

Words and Music by Lindsay Hodges

Verse 1:

Em Am C G
I am lost without you - I'm helpless
Em Am C G
And yet I, before you, am speechless
Em Am C G
How can I capture you and your glory
Em Am C G
For if I see your face, I'm lifeless

Chorus:

G D
I fall on my face
Em C
As I sense your presence
G D
I call on your name
Em D
For I need your mercy

Verse 2:

Em Am C G
Here I am once again confronted
Em Am C G
By your love and your grace - perfection
Em Am C G
I don't hear, and I speak too often
Em Am C G
But you give all of you in spite of me
