

# You Alone

Words and Music by Danielle George

**Verse:**

D  
As I look into your eyes  
Em  
As I gaze upon your face  
G  
Your love it overwhelms me  
A  
As I'm wrapped in your embrace  
D  
I give up all I am  
Em  
To bring glory to your name  
G  
I am nothing without you  
A  
Just a body full of pain

**Chorus:**

G Em  
But You, You alone  
A  
Are amazing, you're unchanging  
G Em  
Yes You, You alone  
A D  
Are tenderly loving... me
